

GLIM

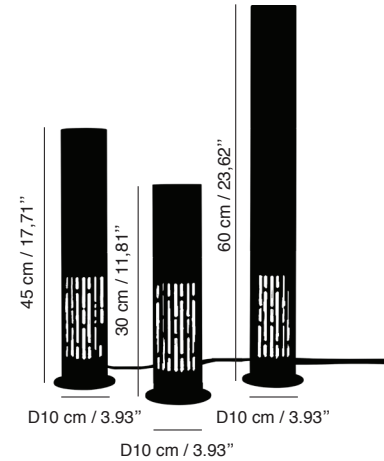

The lamps and suspensions that make up the GLIM collection combine the brilliance of polished aluminum with the warmth of matt gold. These modern lanterns are true decorative pieces: they diffuse a light carved through a metal openwork lampshade. Delicate but functional, GLIM can be arranged in a composition or as a single piece: as a table lamp or as a decorative suspension.

Year of Design	2017
Material	Polished aluminum and matt gold
Product Code	GLIMS60AL
Type	Lighting
Colour	Polished aluminum and matt gold
Cleaning Instructions	Use a soft damp cloth to clean, no abrasive agent

Dimension	cm	H60 x D8
	in	H23,62 x D3,14
Weight	2.6 kgs
